Richmond Dispatch.  
FRIDAY.....JULY 30, 1875.

THE CIRCULATION OF THE DISPATCH IS LARGER THAN THE COMBINED CIRCULATION OF ALL THE OTHER DAILY NEWSPAPERS OF THE CITY.

THE WEATHER TO-DAY.—The probabilities are that the weather to-day will be partly cloudy.

THE WEATHER YESTERDAY was clear and cloudy. About 6 P. M. there was a high wind and a considerable fall of rain.

SANS-SOUCI SINGERS' EXCURSION.—The Sans-Souci Singers of Richmond, in order to afford their friends an opportunity for an agreeable visit to the country, and enable them at the same time, if they desire, to join in interesting religious exercises, have arranged an excursion to the Goodland camp-meeting grounds. Two barges, capable of carrying 400 people, will, under their direction and management, leave the Seventh-street bridge at 8 o'clock Saturday evening, and reach Goodland in time for those who go in this way to participate in the dawn services on the camp-meeting grounds. The excursionists will start on the return at 6 P. M., and hope to reach Richmond by 12 P. M. Refreshments will be furnished by the Sans-Souci Singers free of charge, and round-trip tickets are to be sold for one dollar.

REMOVAL OF OFFICERS.—Virginia, Jr.-Base Ball Club has been organized, and the following officers were elected: President, H. Knolle; Secretary, William Trimmer; Treasurer, C. Clarke; Captain, Joe Archer; Catcher, E. Clarke; Pitcher, D. Naylor; Short Stop, J. H. Knolle; First Base, Joe Schuch; Second Base, H. Knolle; Third Base, Charles Rawson; Left Field, C. Gardner; Centre Field, R. Fronapfel; Right Field, William Trimmer.

The Mutual Base-Ball Club has elected the following officers: G. Shaw (president), short stop; A. C. Jones (vice-president), first base; P. Priddy (captain), catcher; E. Bernard (treasurer), second base; S. Hooper (secretary), first base; G. Hix (sergeant-at-arms), centre field; C. Robertson, pitcher; C. Browning, left field; J. Simmons, right field.

Boy Drowned.—Late last evening the body of William Jackson, a little colored boy of the age of seven years, was found floating in the dock near Twelfth street. It was viewed by the Coroner, and then turned over to his parents.

PERSONAL.—Captain John Disney, of the Second police district, who was taken ill while on a visit to Kentucky, is expected to return home to-day.

The condition of Angus Hartcock, recently wounded on the railroad near Lynchburg, is now so favorable that it is hoped he will soon be able to bear removal to his father's home, in this city.

The indisposition of Mr. Raleigh T. Colston, chief clerk in the State Treasurer's office, continues, but is not of a very serious nature.

The Office of Secretary of the Board of Public Works will not be filled until Governor Kemper returns from Madison county. The two members of the Board present are "divided in opinion," and the Governor's vote will therefore be necessary to effect an election.

General George E. Pickett, of this city, is now very ill in or near Norfolk. His case is regarded as quite desperate, but his friends yet entertain the hope that there will soon be a favorable change.

Mr. James W. Wadwell, of Richmond, who is his brother's, in Norfolk, and has been very sick, is reported to be much improved in health.

A considerable number of our public functionaries will leave for the Goodland camp-meeting to-morrow evening.

Candidates for the General Assembly multiply and increase.

HOME FOR AGED PEOPLE.—The Home for the Aged, under the care and direction of the Little Sisters of the Poor, which was instituted in the month of July, 1874, in the corner of Marshall and Ninth streets, is in successful operation. There are sixteen inmates—fourteen women and two men, between the ages of sixty and eighty—whose daily wants in health and sickness are supplied by the exertions of six Sisters. The Sisters have a pension or other regular income, and depend entirely upon such charitable people as respond to their appeals for help by giving food, clothes, &c. The fine and comfortable building in which the Home is established was presented to Bishop Gibbons by the late William S. Caldwell, a liberal Catholic gentleman. Jy 2-1m.

WORK FOR BOYS TO DO.—Some month since the gentlemen who have charge of the affairs of the Male Orphan Asylum in this city conceived the idea of giving the boys some light, useful employment, taking an hour or so each day from the time devoted to study. The making of
